### Contact4Me

CONTACT4ME is an Emergency Database system based on various items of identification that cuts the time it takes to contact nearest and dearest in emergencies.

Contact4Me allows you to store up to ten phone numbers (including your doctor's details) and any medical alerts in your very own Emergency Database. Emergency services can contact the database and get your contact details. Contact4Me includes membership cards, key fob and a sticker, all with a unique personal number.

Days and times: 24 hours per day, 365 days per year.

Cost: Varies. See website for membership charges.
